PRODUCTS

WHAT WE OFFER

Welcome and Presentation of JG LEGACY CIGAR COMPANY

Combos C+

Selección de combos premium diseñados para marcas, regalos corporativos y proyectos de cigarros personalizados. Incluyen diferentes vitolas, presentaciones y opciones de personalización con anillos, cajas y acabados de alta calidad.

5-16

CAJAS

Presentación de cajas de madera diseñadas para proteger y realzar la calidad de los puros. Disponibles en diferentes estilos y capacidades, con opciones de personalización para marcas, ediciones especiales y regalos corporativos.

17-23

Fundas (Shopping)

Bolsas diseñadas para la presentación y entrega de productos, ideales para tiendas, eventos y marcas. Disponibles en distintos tamaños y estilos, con opción de personalización para reforzar la imagen y presencia de la marca. 🛍️

24

Celofán

Película transparente, flexible y biodegradable hecha de celulosa, protege el tabaco de daños y deshidratación. Es semipermeable, permitiendo que el puro "respire", ralentizando el secado sin impedir el añejamiento, ideal para el transporte.

25

ANILLOS

Bandas personalizadas para cigarros que identifican y distinguen cada marca. Pueden fabricarse en diferentes estilos y acabados, incluyendo impresión a color, relieves y detalles en pan de oro, aportando elegancia y valor premium a cada puro.

26-30

VITOLAS

Formatos y tamaños en los que se elaboran los puros, definidos por su longitud y grosor(cepo). Cada vitola ofrece una experiencia de fumada distinta en intensidad, duración y estilo, permitiendo elegir el cigarro ideal según la ocasión.

FIGURADOS

Puros de forma especial o no tradicional, elaborados con técnicas

artesanales que les dan una apariencia distintiva. Su diseño único permite una fumada diferente y una presentación más exclusiva dentro de las vitolas premium.

30-37

LEAF

Corte de hoja con textura fina, flexible y uniforme, ideal para enrollar distintos tipos de mezclas. Su calidad y suavidad permiten un manejo fácil, buena combustión y una experiencia de enrollado más práctica y versátil para el usuario.

LITE LINE (ECONOMY)

Selección de puros elaborados para ofrecer una excelente relación calidad-precio. Ideales para proyectos de crecimiento, promociones, eventos o marcas que buscan una presentación atractiva y una fumada agradable a un costo más accesible.

Display Cases and Humidors

Equipos diseñados para almacenar, conservar y exhibir puros en condiciones óptimas de humedad y temperatura. Ideales para coleccionistas, tiendas y aficionados que desean mantener la calidad, el aroma y la frescura de sus cigarros.

Butane Gas

Perfecto para recargar tus encendedores y mantener el fuego

encendido en cada fumada. Calidad garantizada y entrega inmediata.

Pallet wrap / Stretch film

proporcionando protección, firmeza y una presentación organizada. Ayuda a mantener los cigarros agrupados y protegidos durante el almacenamiento y transporte.
